

2022 Fee Schedule Changes

For any renewals prior to January 1, 2022, the certificate holder will pay the current as of September 16, 2021 renewal fees. These fees are effective January 1, 2022 and will be applied to ALL certifications issued beginning January 1. A late renewal of a certification will be the new certification fee plus the new late registration fee. Businesses will not have to pay a renewal or registration fee prior to January 1, but will begin having to pay January 1 plus a late fee.
