Request for Board code review class

If you wish to request a code review class be held by the Board's education instructor, please provide us with the following information. The Board may not be able to accommodate every request, however, we will make every effort to offer as many classes as possible.

In order to make best use of resources, we will require a minimum attendance of fifteen (15) attendees at each class. These classes will be listed on the Board website and offered to all licensees.
